

DEPARTMENT OF SURGICAL ONCOLOGY

GI and Breast Unit**Introduction**

Department of Surgical Oncology is evolving through the many changes. Breast and GI unit is working for majority surgical oncology patients mainly focusing on Upper GI and breast cancers. The work carried out in the unit is summarized in the tables below.

1. BREAST=40.90%		Colon	
2. GI=59.1%		Diverting colostomy	11
BREAST		Extended hemicolectomy/sigmoidectomy	9
MRM=	170	Hartmann's procedure	1
Breast conserving surgery =	25	LAR	3
Breast reconstruction surgery		APR	14
TRAM	5	Pancreas/periampullary	
LD	5	Triple by pass/Roux-en-y	17
subcutaneous mastectomy	2	Whipple's procedure	5
Open	1	CBD stenting with T-tube drainage	1
laparoscopic	1	Partial hepatectomy	1
GI		Splenectomy	1
Stomach		Orchidectomy	1
D2 dissection	22	needle localization biopsy	1
D1 dissection	11	wide local excision + excisional biopsy	126
palliative gastrectomy	2	miscellaneous	28
Exp lap +gj stomy	23	Total	506
Feeding jejunostomy	12		

1	Carcinoma breast	216	15	Hydatid cyst/pseudopancreatic cyst	5
2	Carcinoma stomach	66	16	cholangiocarcinoma	3
3	Benign breast disease	105	17	Carcinoma caecum	1
4	Carcinoma rectum	28	18	Carcinoma prostate	1
5	Periampullary carcinoma	14	19	Gynaecomastia	3
6	Carcinoma gallbladder	7	20	Carcinoma GEJ	4
7	Gallbladder polyp	4	21	Cholangiocutaneous fistula	1
8	Carcinoma pancreas	6	22	Carcinoma lung	1
9	Carcinoma colon	6	23	BCC	1
10	Carcinoma rectosigmoid	4	24	Hepatoblastoma	1
11	Phylloid tumor	2	25	Hodgkins lymphoma	1
12	Hepatocellular carcinoma	2	26	Marjolin's ulcer	1
13	Pelvic mass	7	27	Miscellaneous	13
14	GIST	3	Total		506

Senior consultant=Dr.Bhakta Man Shrestha

Junior consultant=Dr.Bishow Ram Poudel

Visiting Chinese surgeon=Dr.ZhangTAO

Registrar=Dr.Ganga Sapkota

House officer =Dr.Sanjay Pandey

Academic and research;

Dr.Ganga sapkota attended international digestive week conference in Malaysia

Dr.Bhakta Man Shrestha attended surgical oncology meeting in shun yat sheng

Resident rotations,nursing orientation.
