Vacancy Announcement for Breast Cancer Implementation Project (Breast-CAN)

B. P. Koirala Memorial Cancer Hospital (BPKMCH) in collaboration with the International Agency for Research on Cancer (IARC) / WHO is currently seeking qualified Nepali professional for an implementation project, which is funded by Union for International Cancer Control (UICC). This is an implementation project entitled as 'Education and training of primary health care workers to improve patient pathway for early detection of breast cancer' (Breast-CAN). This project aims (i) To educate and train Primary Health Care Workers (PHCWs) about recognition of breast cancer symptoms, (ii) To educate and train Female Community Healthy Volunteers (FCHVs) about recognition of breast cancer symptoms, (iii) To train PHCWs and FCHVs about the referral mechanism of existing health care system in relation to early diagnosis of breast cancer, and (iv) To train PHCWs about advocating women visiting health facility about the importance of early diagnosis of breast cancer. This project will focus on improving the patient pathway for early diagnosis of breast cancer.
